A BILL

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

To establish local nutritional standards for school meals, to establish healthy vending, fundraising, marketing, and prize requirements in public schools, to require public schools to participate in federal meal programs whenever possible, to solicit feedback about healthy meals, to require public disclosure of ingredients, origin of fruits and vegetables and the nutritional content of school meals, and to provide at least 30 minutes to eat lunch; to establish a farm-to-school program, to create a preference and a monetary incentive to serve locally-grown, unprocessed foods, to require teaching about the benefits of fresh, local foods, to establish programs such as a local flavor week and a harvest of the month, and to require an annual report and recommendations on farm-to-school initiatives; to establish minimum levels of physical education and activity for students, to provide for exemptions for students with disabilities, students with other diagnosed health problems, or schools that lack the facilities, to provide schools with equal access to recreation facilities, to prohibit physical education to be used as punishment, to require minimum amounts of health education, and to require an annual report about the compliance with these requirements; to establish an environmental programs office within the Office of the Public Education Facilities Modernization that would establish comprehensive recycling, energy reduction, and integrated pest management programs at District of Columbia Public Schools and develop a plan to use environmentally friendly cleaning supplies, to require an annual report and recommendations on sustainability, to encourage schools to use more sustainable products in their meal service, to amend the Green Building Act of 2006 and Title 20 of the District of Columbia Municipal Regulations to encourage school construction to achieve LEED Gold certification, to create an environmental literacy plan, to establish a school gardens program, to issue grants to support the development of school gardens, to require a report and recommendations about school gardens, and to permit the sale and consumption of food grown in school gardens when safe; to require schools to collaborate to adopt local wellness policies and update them triennially, to require the inclusion of sustainability and farm-to-school initiatives in local wellness policies, to

require local wellness policies to be promoted and shared, to empower the State Superintendent of Education with the authority to verify compliance with their local wellness policies, to require a plan to place a school wellness center at DCPS high schools by 2015, to amend the District of Columbia Public School Nurse Assignment Act of 1987 to give preference after October 1, 2010 in hiring school nurses certified as asthma educators, to require that schools develop allergy plans and appoint an allergy coordinator, to amend Titles 18 and 20 of the District of Columbia Municipal Regulations to prohibit vehicles from idling near schools, to implement the Indoor Air Quality Tools for Schools program; and to establish a Healthy Youth and Schools Commission, to define its function, to require an annual report and recommendations, to set forth the composition and organization of the commission, to define its rules of procedure and powers, and to provide administrative and technical support.

BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this act may be cited as the "Healthy Schools Act of 2010".

TITLE I. DEFINITIONS; ESTABLISHMENT OF HEALTHY SCHOOLS FUND.

Sec. 101. Definitions.

For the purposes of this act, the term:

- (1) "Healthy Schools Fund" means the fund established by section 102.
- (2) "Healthy Schools and Youth Commission" means the body established by section 701.
- (3) "Locally-grown" means from a grower in Delaware, the District of Columbia, Maryland, New Jersey, North Carolina, Pennsylvania, Virginia, or West Virginia.
- (4) "Locally-processed" means processed at a facility in Delaware, the District of Columbia, Maryland, New Jersey, North Carolina, Pennsylvania, Virginia, or West Virginia.
- (5) "Meals" means breakfast, lunch, or after-school snacks served as a part of the National School Lunch Program, School Breakfast Program, or Summer Food Service Program, or after-school meals served as part of the Child and Adult Care Food Program.

(6) “Moderate-to-vigorous physical activity” means movement resulting in a substantially increased heart rate and breathing.

(7) “Public charter school” means a school chartered under the District of Columbia School Reform Act of 1995, approved April 26, 1996 (110 Stat. 1321-107; D.C. Official Code § 38-1800.01 *et seq.*). The term “public charter school” shall not include private or parochial schools.

(8) “Public school” means a school operated by the District of Columbia Public Schools, established by section 102 of the District of Columbia Public Schools Agency Establishment Act of 2007, effective June 12, 2007 (D.C. Law 17-9; D.C. Official Code § 38-171).

(9) “Sustainable agriculture” means an integrated system of plant and animal production practices having a site-specific application that will, over the long-term:

(A) Satisfy human food and fiber needs;

(B) Enhance environmental quality and the natural resource base upon which the agriculture economy depends;

(C) Make the most efficient use of nonrenewable resources and on-farm resources and integrate, where appropriate, natural biological cycles and controls;

(D) Sustain the economic viability of farm operations; and

(E) Enhance the quality of life for farmers and society as a whole.

(10) (A) “Unprocessed” means foods that are nearest their whole, raw, and natural state, and contain no artificial flavors or colors, synthetic ingredients, chemical preservatives, or dyes.

(B) For the purposes of this paragraph, food which undergoes the following processes shall be deemed to be unprocessed:

- (i) Cooling, refrigerating, or freezing;
- (ii) Size adjustment through size reduction made by peeling, slicing, dicing, cutting, chopping, shucking, or grinding;
- (iii) Drying or dehydration;
- (iv) Washing;
- (v) The application of high water pressure or “cold pasteurization”;
- (vi) Packaging, such as placing eggs in cartons, and vacuum packing and bagging, such as placing vegetables in bags;
- (vii) Butchering livestock, fish, or poultry; and
- (viii) The pasteurization of milk.

Sec. 102. Establishment of the Healthy Schools Fund.

(a) There is established as a nonlapsing fund the Healthy Schools Fund, which shall be used solely as provided in subsection (c) of this section and administered by the Office of the State Superintendent of Education. The Fund shall be funded by annual appropriations, which shall be deposited into the Fund.

(b) All funds deposited into the Fund, and any interest earned on those funds, shall not revert to the unrestricted fund balance of the General Fund of the District of Columbia at the end of a fiscal year, or at any other time, but shall be continually available for the uses and purposes set forth in subsection (c) of this section without regard to fiscal year limitation, subject to authorization by Congress.

(c) The funds in the Fund shall be used as follows:

(1) To provide additional funding for healthy school meals, the Office of the State Superintendent of Education shall reimburse public schools and public charter schools as follows:

(A) Ten cents for each breakfast meal served that meets the requirements of sections 202 and 203; and

(B) Ten cents for each lunch meal served that meets the requirements of sections 202 and 203.

(2) To provide free breakfast meals in public charter schools under section 203(a), the Office of the State Superintendent of Education shall reimburse public charter schools as follows:

(A) Thirty cents for each breakfast meal served to students who qualify for reduced-price meals; and

(B) The difference between the free and paid rates for breakfasts served in severe-needs schools in the District of Columbia, as determined by the U.S. Department of Agriculture, to students who do not qualify for free or reduced-price meals.

(3) To eliminate the reduced-price copayment under section 203(b)(1), the Office of the State Superintendent of Education shall reimburse public schools and public charter schools 40 cents for each lunch meal served to students who qualify for reduced-price meals.

(4) To provide resources to implement the breakfast-in-the-classroom program under section 203(a)(2), for the 2010-2011 school year, the Office of the State Superintendent of Education shall provide \$7 per student to public schools and public charter schools participating in the National School Lunch Program, in which more than 40% of students qualify for free or reduced-price meals.

(5) To encourage local foods to be served in schools, the Office of the State Superintendent of Education shall provide an additional 5 cents per lunch meal reimbursement to public schools and public charter schools when at least one component of a reimbursable lunch meal is locally-grown and unprocessed; provided, that the schools report the name and address of the farms where the locally-grown foods were grown to the Office of the State Superintendent of Education.

(6) To increase physical activity in schools, the Office of the State Superintendent of Education shall make grants available through a competitive process to public schools and public charter schools; provided, that schools shall meet the requirements of section 402 and seek to increase the amount of physical activity in which their students engage.

(7) To support school gardens, the Office of the State Superintendent of Education shall make grants available through a competitive process to public schools, public charter schools, and other organizations.

(d) The Office of the State Superintendent of Education may, by rule, increase the amounts, as set forth in subsection (c) of this section, to further improve the quality and nutrition of school meals.

(e) The Office of the State Superintendent of Education may withhold local funds provided by subsection (c) of this section from public schools and public charter schools that do not meet the requirements of sections 202, 203, 205, and 206.

TITLE II. SCHOOL NUTRITION.

Sec. 201. Goals.

(a) Public schools and public charter schools shall serve healthy and nutritious meals to students. Schools are strongly encouraged to consider serving vegetarian food options each week.

(b) Public schools and public charter schools are strongly encouraged to participate in the United States Department of Agriculture's HealthierUS School Challenge program and achieve Gold Award Level certification.

Sec. 202. Nutritional standards for school meals.

(a) All breakfast, lunch, and after-school meals served to students in public schools and public charter schools or by organizations participating in the Afterschool Meal Program shall meet or exceed the federal nutritional standards set forth in:

(1) The Child Nutrition Act of 1996, approved October 11, 1996 (80 Stat. 885; 42 U.S.C. § 1771 *et seq.*);

(2) The Richard B. Russell National School Lunch Act, approved June 4, 1946 (60 Stat. 230; 42 U.S.C. § 1751 *et seq.*);

(3) 7 C.F.R. Parts 210, 215, 220, 225, and 226; and

(4) Other applicable federal law.

(b) In addition to the requirements of subsection (a) of this section, breakfast and lunch meals served to students in each public school and public charter school shall meet or exceed:

(1) The following nutritional requirements per serving:

(A) Calories:

(i) (I) Between 350 and 550 for breakfast for Pre-Kindergarten through Grade 8;

(II) Between 450 and 600 for breakfast for Grades 9 through 12;

(III) Between 550 and 700 for lunch for Pre-Kindergarten through Grade 8; and

(IV) Between 750 and 850 for lunch for Grades 9 through 12.

(ii) The requirements of this subparagraph may be assessed as a weekly average;

(B) Saturated fat: Fewer than 10% of total calories;

(C) Trans fat: Zero grams; and

(D) Sodium:

(i) For breakfast meals:

(I) Less than 430 mg for Grades Kindergarten through 5;

(II) Less than 470 mg for Grades 6 through 8; and

(III) Less than 500 mg for Grades 9 through 12.

(ii) For lunch meals:

(I) Less than 640 mg for Grades Kindergarten through 5;

(II) Less than 710 mg for Grades 6 through 8; and

(III) Less than 740 mg for Grades 9 through 12.

(iii) The requirements of this subparagraph shall not apply until August 1, 2020; provided, that public schools and public charter schools shall gradually reduce the amount of sodium served in school meals.

(2) The serving requirements of the United State Department of Agriculture's HealthierUS School Challenge program at the Gold Award Level for vegetables, fruits, whole grains, milk, and other foods served in school meals, as may be revised from time to time, not withstanding any termination.

(c) The Office of the State Superintendent of Education may adopt standards that exceed the requirements of this section.

Sec. 203. Additional requirements for public school meals.

(a) (1) Public schools and public charter schools shall offer free breakfast to all students.

(2) If more than 40% of the students at a school qualify for free or reduced-price meals:

(A) A public elementary school and a public charter elementary school shall offer breakfast in the classroom each day; and

(B) A public middle and high school and a public charter middle and high school shall offer alternative serving models, such as breakfast in the classroom or grab-and-go carts, each day to increase breakfast participation.

(b) Public schools and public charter schools shall:

(1) Not charge students for meals if the students qualify for reduced-price meals;

(2) Provide meals that meet the dietary needs of children with diagnosed medical conditions as required by a physician;

(3) Solicit input from students, faculty, and parents, through taste tests, comment boxes, surveys, a student nutrition advisory council, or other means, regarding nutritious meals that appeal to students;

(4) Promote healthy eating to students, faculty, staff, and parents;

(5) Provide at least 30 minutes for students to eat lunch; and

(6) Participate in federal nutritional and commodity foods programs whenever possible.

(c) Public schools and public charter schools are encouraged to make cold, filtered water available free to students, through water fountains or other means, when meals are served to students in public schools and public charter schools.

Sec. 204. Central kitchen.

(a) The District of Columbia Public Schools shall establish a central facility in the District to:

(1) Prepare, process, grow, and store healthy and nutritious foods for schools and nonprofit organizations;

(2) Support nutrition education programs; and

(3) Provide job-training programs for students and District residents.

(b) The District of Columbia Public Schools shall provide reasonable access to charter schools that wish to use the facility.

(c) The Department of Real Estate Services shall assist the District of Columbia Public Schools in selecting real property for the facility and the Office of Public Education Facilities Modernization shall convert the real property into the facility.

Sec. 205. Public disclosure.

(a) Food service providers shall provide the following information to public schools and public charter schools:

(1) The menu for each breakfast and lunch meal served;

(2) The nutritional content of each menu item;

(3) The ingredients for each menu item; and

(4) The location where fruits and vegetables served in schools are grown and processed and whether growers are engaged in sustainable agriculture practices.

(b) (1) Public schools and public charter schools shall post the information provided to them under subsection (a) of this section:

(A) In the school's office; and

(B) Online if the school has a website.

(2) Public schools and public charter schools shall inform families that vegetarian food options and milk alternatives are available upon request.

Sec. 206. Healthy vending, fundraising, and prizes in public schools.

(a) Except as provided by subsection (b) of this section, all beverages and snack foods provided by or sold in public schools and public charter schools or provided by organizations participating in the Afterschool Meal Program, whether through vending machines, fundraisers, snacks, after-school meals, or other means, shall meet the requirements of the United State Department of Agriculture's HealthierUS School Challenge program at the Gold Award Level for competitive foods, as may be revised from time to time, notwithstanding any termination.

(b) The requirements of subsection (a) of this section shall not apply to:

(1) Food and drinks available only to faculty and staff members; provided, that school employees shall be encouraged to model healthy eating;

(2) Food provided at no cost by parents;

(3) Food sold or provided at official after-school events; and

(4) Adult education programs.

(c) The Office of the State Superintendent of Education may adopt standards that exceed the requirements set forth in subsections (a) and (b) of this section.

(d) Foods and beverages sold in public school and public charter school stores shall meet the requirements of subsection (a) of this section.

(e) Public schools and public charter schools shall not permit third parties, other than school-related organizations and school meal service providers, to sell foods or beverages of any type to students on school property from 90 minutes before the school day begins until 90 minutes after the school day ends.

(f) Foods and beverages that do not meet the nutritional requirements of subsection (a) of this section shall not be:

(1) Used as incentives, prizes, or awards in public schools or public charter schools; or

(2) Advertised or marketed in public schools and public charter schools through posters, signs, book covers, scoreboards, supplies, equipment, or other means.

(g) After first issuing a warning, the Office of the State Superintendent of Education may impose a penalty, not to exceed \$500 per day paid to the Healthy Schools Fund, on public schools and public charter schools that violate this section, subject to the right to a hearing requested within 10 days after the notice of imposition of the penalty is sent.

Sec. 207. Triennial review.

The Healthy Schools and Youth Commission shall review school nutrition and the requirements of this title at least every 3 years and recommend improvements to the Mayor and the Council.

TITLE III. FARM-TO-SCHOOL PROGRAM.

Sec. 301. Local food sourcing, reimbursement, and education.

Public schools and public charter schools shall serve locally-grown, locally-processed, and unprocessed foods from growers engaged in sustainable agriculture practices whenever possible. Preference shall be given to fresh foods grown and processed in the District of Columbia, Maryland, and Virginia.

Sec. 302. Programs.

The Office of the State Superintendent of Education shall, in conjunction with the Department of Health, the Department of Parks and Recreation, the District Department of the Environment, the University System of the District of Columbia, community organizations, food service providers, public schools, and public charter schools, develop programs to promote the benefits of purchasing and eating locally-grown and unprocessed foods that are from growers engaged in sustainable agriculture practices. At minimum, the Office of the State Superintendent of Education shall conduct at least one program per year, such as an annual local flavor week or a harvest of the month program, in collaboration with other District agencies and nonprofit organizations.

Sec. 303. Mandatory reporting.

On or before September 30 of each year, the Office of the State Superintendent of Education shall submit to the Mayor, the Council, and the Healthy Schools and Youth Commission a comprehensive report on the District's farm-to-school initiatives and recommendations for improvement.

Sec. 304. Section 729 of Title 19 of the District of Columbia Municipal Regulations is amended by adding a new subsection 729.3 to read as follows:

“729.3 The provisions of this section shall not preclude the use of public recreation facilities by programs to provide community access to healthy foods, such as farmers’ markets.”.

TITLE IV. PHYSICAL AND HEALTH EDUCATION.

Sec. 401. Physical activity goals.

(a) It shall be the goal of the District of Columbia for children to engage in physical activity for 60 minutes each day.

(b) Public schools and public charter schools shall promote this goal.

(c) Public schools and public charter schools shall seek to maximize physical activity by means including:

- (1) Extending the school day;
- (2) Encouraging students to walk or bike to school;
- (3) Promoting active recess;
- (4) Including physical activity in after-school activities;
- (5) Supporting athletic programs; and
- (6) Integrating movement into classroom instruction.

Sec. 402. Physical and health education requirements.

(a) Public schools and public charter schools shall provide physical education as follows:

(1) For students in Kindergarten through Grade 5:

(A) School years 2010-2011 to 2013-2014: an average of at least 30 minutes per week or the same level of physical education as provided in school year 2009-2010, whichever is greater; and

(B) School year 2014-2015 and after: an average of at least 150 minutes per week;

(2) For students in Grades 6 through 8:

(A) School years 2010-2011 to 2013-2014: an average of at least 45 minutes per week or the same level of physical education as provided in school year 2009-2010, whichever is greater; and

(B) School year 2014-2015 and after: an average of at least 225 minutes per week.

(3) At least 50% of physical education class time shall be devoted to actual physical activity, with as much class time as possible spent in moderate-to-vigorous physical activity.

(b) Public schools and public charter schools shall provide health education to students in Grades Kindergarten through 8 as follows:

(1) School years 2010-2011 to 2013-2014: an average of at least 15 minutes per week or the same level of health education as provided in school year 2009-2010, whichever is greater; and

(2) School year 2014-2015 and after: an average of at least 75 minutes per week;

(c) The State Board of Education, with assistance from the Office of the State Superintendent of Education, shall consider ways to expand physical education in high schools.

(d) The physical education and health education required by this section shall meet the curricular standards adopted by the State Board of Education.

Sec. 403. Additional requirements.

(a) A student with disabilities shall have suitably adapted physical education incorporated as part of the individualized education program developed for the student. With a written note from a physician, public schools and public charter schools may provide suitably adapted physical education for any other student with special needs that preclude the student from participating in regular physical education instruction.

(b) Requiring or withholding physical activity shall not be used to punish students; provided, that students who are not wearing appropriate athletic clothing may be prohibited from participating in physical activity until properly dressed.

Sec. 404. Access to public facilities.

The Department of Parks and Recreation shall provide equal access and shall charge equal fees to both public schools and public charter schools for the use of its recreation centers, fields, playgrounds, and other facilities.

Sec. 405. Mandatory reporting.

Beginning in 2011, on or before September 30 of each year, the Office of the State Superintendent of Education shall report to the Mayor, the Council, and the Healthy Schools and Youth Commission annually regarding:

(1) Compliance of public schools and public charter schools with the physical and health education requirements in this title; and

(2) Student achievement with respect to health and physical education standards.

Sec. 406. Conforming amendment.

Section 717.1 of Title 19 of the District of Columbia Municipal Regulations is amended to read as follows: “717.1 The recreational use of properties under the direct control of the Department shall have direct precedence over use for other purposes, except where recreation

properties in the immediate vicinity of a public school or charter school are the only recreation facilities available for school use.”.

TITLE V. ENVIRONMENT.

Sec. 501. Environmental programs office.

(a) An environmental programs office is established in the Office of Public Education Facilities Modernization and shall:

(1) (A) Contract with vendors to recycle all materials required by District law at all public schools, including food services, by December 31, 2010, and provide technical assistance to public charter schools about recycling;

(B) The contracts under subparagraph (a) of this paragraph shall be negotiated to provide a financial incentive to reduce the amount of waste created in public schools and, when possible, to increase diversion rates in public schools;

(2) Develop a master recycling plan for public schools on or before December 31, 2010 to reach a system-wide diversion rate of 45% by August 1, 2015;

(3) Analyze utility usage at each public school and develop a plan to reduce that amount by 20% on or before August 1, 2015;

(4) Establish an integrated pest management program;

(5) Test drinking water in public schools for lead and promptly take any remedial action required;

(6) Comply with the Environmental Protection Agency’s Lead; Renovation, Repair, and Painting Program, established by 40 C.F.R. Part 745;

(7) Post the results of its environmental testing online; and

(8) Promote the Environmental Protection Agency's Indoor Air Quality Tools for Schools Program to reduce exposure to environmental factors that impact asthma among children and adults in public schools.

(b) The District of Columbia Public Schools shall:

(1) Use environmentally-friendly cleaning supplies in public schools; provided, that the agency may exhaust its current supply of conventional cleaners; and

(2) Prepare and transmit to the Mayor, the Council, and the Healthy Schools and Youth Commission, on or before December 31, 2010, a plan to use sustainable products in serving meals to students.

(c) On or before December 31, 2010, the Mayor shall prepare and transmit to the Council a comprehensive report describing the implementation of recycling, composting, energy-reduction, pest management, air quality, and environmentally-friendly cleaning supplies programs in public schools. The report shall include:

(1) A thorough, school-by-school breakdown of the waste stream in public schools, including tonnages, components, and diversion rates;

(2) Baseline energy usage, an analysis of usage patterns, and savings achieved;

(3) Recommendations and a timeline for further implementing these programs;

and

(4) A proposal for recognizing and rewarding schools that significantly improve their environmental portfolio.

Sec. 502. Environmental literacy plan.

The District Department of the Environment, in conjunction with the District of Columbia Public Schools, the Department of Parks and Recreation, the Public Charter School

Board, the Office of the State Superintendent of Education, the State Board of Education, and the University System of the District of Columbia, shall develop an environmental literacy plan for public schools and public charter schools.

Sec. 503. School Gardens Program.

(a) A School Gardens Program is established within the Office of the State Superintendent of Education. The School Gardens Program shall:

(1) Coordinate the efforts of community organizations, the Department of Parks and Recreation, the District Department of the Environment, the District of Columbia Public Schools, the Office of Public Education Facilities Modernization, the Public Charter School Board, and the University System of the District of Columbia to establish gardens as integral components of public schools and public charter schools;

(2) Complement the Food Production and Urban Gardens Program, established by Section 3 of the Food Production and Urban Gardens Program Act of 1986, effective February 28, 1987 (D.C. Law 6-210; D.C. Official Code § 48-402);

(3) Establish and convene a Garden Advisory Committee, composed of community organizations, District government agencies, and other interested persons;

(4) Collect data on the location and types of gardens in public schools and public charter schools;

(5) Provide horticultural guidance and technical assistance to public schools and public charter schools;

(6) Coordinate curricula for school gardens and related projects; and

(7) Provide training, support, and assistance to gardens in public schools and public charter schools.

(b) On or before June 30, 2011, the School Gardens Program shall issue a report to the Mayor, the Council, and the Healthy Schools and Youth Commission about the state of school gardens in the District of Columbia, plans for expanding them, and recommendations for improving the program.

(c) The University System of the District of Columbia shall assist the School Gardens Program by providing technical expertise, curricula, and soil testing for school gardens.

(d) As permitted by federal law, when tests show that the soil is safe and when produce is handled safely, produce grown in school gardens may be identified and served to students at the school, including in the cafeteria. Produce grown in school gardens may be sold and the proceeds from such sales shall be expended for the benefit the public school where the produce was grown.

(e) School gardens shall include a demonstration compost pile when feasible.

Sec. 504. The Green Building Act of 2006, effective March 8, 2007 (D.C. Law 16-234; D.C. Official Code § 6-1451.01 *et seq.*), is amended as follows:

(a) Section 3(b)(1)(C)(iii) (D.C. Official Code § 6-1451.02(b)(1)(C)(iii)) is amended by adding a new sentence at the end to read as follows:

“Notwithstanding the foregoing sentence, the District shall meet LEED for Schools certification at the Gold level or higher if sufficient funding for the construction or renovation is provided.”.

(b) Section 4(b)(2)(B) (D.C. Official Code § 6-1451.03(b)(2)(B)) is amended by adding a new sentence at the end to read as follows:

“Schools shall aspire to meet LEED for Schools certification at the Gold level or higher.”.

Sec. 505. Section 3(3)(D) of the Food Production and Urban Gardens Program Act of 1986, effective February 28, 1987 (D.C. Law 6-210; D.C. Official Code § 48-402 (3)(D)), is amended by striking the phrase “Board of Education of the District of Columbia” and inserting the phrase “Office of the State Superintendent of Education” in its place.

Sec. 506. Section 3501 of Chapter 35 of Title 20 of the District of Columbia Municipal Regulations is amended by adding a new subsection 3501.3 to read as follows:

“3501.3 For both newly constructed and substantially improved public schools, the District shall aspire to meet LEED for Schools certification at the Gold level or higher.”.

Sec. 507. Section 704 of the Office of Public Education Facilities Modernization Establishment Act of 2007, effective June 12, 2007 (D.C. Law 17-9; D.C. Official Code § 38-453), is amended by adding a new paragraph (7B) to read as follows:

“(7B) Direct and supervise the environmental programs office established pursuant to Section 501 of the Healthy Schools Act of 2010, passed on 2nd reading on May 4, 2010 (Enrolled version of Bill 18-564).”.

TITLE VI. HEALTH AND WELLNESS.

Sec. 601. Local wellness policies.

(a) As required by federal law, each local educational agency shall collaborate with parents, students, food service providers, and community organizations to develop, adopt, and update a comprehensive local wellness policy. Local wellness policies shall be revised at least once every 3 years.

(b) Local wellness policies shall include:

(1) The requirements set forth in federal law; and

(2) Goals for:

(A) Improving the environmental sustainability of schools;

(B) Increasing the use of locally-grown, locally-processed, and unprocessed foods from growers engaged in sustainable agriculture practices; and

(C) Increasing physical activity.

(c) Public schools and public charter schools shall promote their local wellness policy to faculty, staff, parents, and students. A copy shall be:

(1) Posted on each school's website, if it has one;

(2) Distributed to food service staff members;

(3) Distributed to the school's parent/teacher organization, if it has one; and

(4) Made available in each school's office.

(d) The Office of the State Superintendent of Education shall review each local wellness policy to ensure that it complies with federal requirements and shall examine whether schools comply with their policies.

Sec. 602. School health profiles.

(a) On or before January 15 of each year, each public school and public charter school shall submit the following information to the Office of the State Superintendent of Education regarding each of its campuses:

(1) Health programs:

(A) Whether the school has full-time, part-time, or no nurse coverage;

(B) The name and contact information of the school's nurse;

(C) Whether the school has school-based mental health program or offers similar services on site;

(D) Whether there is a certified health teacher on staff; and

(E) Whether there is a school-based health center;

(2) Nutrition programs:

(A) The name of the school's food service vendor;

(B) Whether the school's meals meet the nutritional standards required by federal and District law;

(C) Where the information required by section 205 can be found;

(D) Whether the school participates in the farm-to-school program under section 301; and

(E) Whether the school participates in the School Gardens Program under section 503;

(3) Physical and health education:

(A) The average amount of weekly physical education that students receive in each grade;

(B) The average amount of weekly health education that students receive in each grade; and

(C) How the school promotes physical activity;

(4) Wellness policy:

(A) Whether the school is in compliance with its local wellness policy; and

(B) Where a copy of the school's local wellness policy can be found.
