1 (2) A citation or reference to the specific legal authority authorizing the
2 proposed action;

3 (3) The text of any rule proposed to be adopted, amended, or repealed;

4 (4) How a copy of the full text of the regulatory analysis of any rule
5 proposed to be adopted, amended, or repealed may be obtained;

6 (5) Where, when, and how a person may comment on the proposed action
7 and request a hearing; and

8 (6) A citation to and summary of ~~each~~any scientific or statistical study,
9 report, or analysis that served as a basis for the proposed rulemaking, together with an
10 indication of how the full text may be obtained.

11 (b)(1) The Mayor and each independent agency shall publish in the District of
12 Columbia Register and on the agency's website any guidance document. A guidance
13 document does not require notice and comment as required in subsections (a), (d), (e), (f),
14 and (g).

15 (2) An agency that proposes to rely on a guidance document to the
16 detriment of a person in any administrative proceeding must afford the person a fair
17 opportunity to contest the legality or soundness of positions taken in the document. The
18 agency may not use a guidance document to foreclose consideration of issues raised in
19 the document.

20 (3) A guidance document may contain binding instructions to agency staff
21 members if at an appropriate stage in the administrative process, the agency's procedures
22 provide affected persons an adequate opportunity to contest positions taken in the
23 document.

1 (4) If an agency proposes to act in an adjudication at variance with a
2 position expressed in a guidance document, it shall provide a reasonable explanation for
3 the variance. If an affected person in an adjudication may have reasonably relied on the
4 agency's position, the explanation must include a reasonable justification for the agency's
5 conclusion that the need for the variance outweighs the affected person's reliance
6 interests.

7 (5) An agency shall maintain an index of all of its currently effective
8 guidance documents, publish the index on its website, make all guidance documents
9 available to the public and file the index with the District of Columbia Register annually.
10 The agency may not rely on a guidance document or cite it as precedent against any party
11 to a proceeding, unless the guidance document is published on the agency website.

12 (6) A guidance document may be considered by a presiding officer or final
13 decision maker in an agency adjudication but it does not bind the presiding officer and
14 the final decision maker in the exercise of discretion.

15 (7) A person may petition an agency under subsection (i) to adopt a rule in
16 place of a guidance document.

17 (8) A person may petition an agency to revise or repeal a guidance
18 document. Not later than 60 days after submission of the petition, the agency shall:

19 (A) revise or repeal the guidance document;

20 (B) initiate a proceeding for the purpose of considering a revision
21 or repeal; or

22 (C) deny the petition in a record and state its reasons for the
23 denial, meeting fairly each point raised by the petitioner.

1 (9) For the purposes of this subsection, the term “guidance document”
2 shall mean any “a document prepared or used by an agency that is not legally binding but
3 which states the agency’s current approach to or interpretation of law, or which describes
4 how and when the agency will exercise discretionary functions.”

5 (c)(1) The Mayor and each independent agency shall maintain an indexed
6 rulemaking docket that contains a list of all pending rulemaking proceedings. The Mayor
7 and each independent agency shall maintain a record for each proposed adoption,
8 amendment, or repeal of a rule that contains:

9 (A) A copy of all publications in the District of Columbia Register
10 relating to the rule or the proceeding upon which the rule is based;

11 (B) A copy or an index of written factual material, studies, and
12 reports relied on or consulted by agency personnel in formulating the proposed or final
13 rule;

14 (C) Any official transcript, audiovisual copy, or summary of oral
15 presentations made in the proceeding upon which the rule is based;

16 (D) A copy of the rule and notice described in paragraph (a); and

17 (E) All petitions for action on the rule.

18 (2) The Mayor and each independent agency shall publish the rulemaking
19 docket and the record for each rule on the internet and shall make them available for
20 public inspection, or, upon request, provide copies to individuals at a reasonable cost.

21 (d) To the greatest extent possible, the Mayor shall notify the public of the
22 proposed changes in the rules, and encourage participation in the rulemaking process. An
23 agency proposing the adoption, amendment, or repeal of a rule shall specify a public

1 comment period of at least 30 days after publication of the notice of proposed rulemaking
2 during which a person may submit information and comment on the rule proposed for
3 adoption, amendment, or repeal. Agencies shall publish comments received on their web
4 sites.

5 (e) Not later than one year after the notice of proposed rulemaking, the agency
6 shall adopt, amend, or repeal the rule pursuant to the rulemaking proceeding or terminate
7 the proceeding by publication of a notice of termination in the Register; provided, that the
8 agency may extend the period of time for adopting, amending or repealing the rule for an
9 additional period of 6 months by filing a statement of good cause for the extension in the
10 rulemaking record, but must provide for additional comment period of at least 30 days
11 before adopting, amending or repealing the rule.

12 (f) An agency may not take action on a rule proposed to be adopted, amended, or
13 repealed that differs from the action proposed in the notice of proposed rulemaking on
14 which the rule is based unless the action is the logical outgrowth of the action proposed in
15 the notice.

16 (g) At the time it adopts, amends, or repeals a rule, an agency shall issue a concise
17 explanatory statement containing:

18 (1) The agency's reasons for the action, including the agency's reasons for
19 not accepting substantial arguments made in testimony and comments; and

20 (2) Subject to subsection (f) of this section, the reasons for any change
21 between the text of the proposed adopted or amended rule contained in the published
22 notice of the proposed adoption or amendment of the rule and the text of the rule as
23 finally adopted.

1 (h)(1) An agency may gather information relevant to the subject matter of
2 rulemaking and may solicit comments and recommendations from the public by
3 publishing a notice of intent to propose rulemaking in the Register and indicating where,
4 when, and how persons may comment.

5 (2) An agency may engage in negotiated rulemaking by appointing a
6 committee to comment or make recommendations on the subject matter of a rulemaking
7 under active consideration within the agency. The committee, in consultation with one or
8 more agency representatives, may attempt to reach a consensus on the terms or substance
9 of a proposed rule. The agency shall publish a list of all committees with their
10 membership in the Register. Notice of a meeting of a committee appointed under this
11 subsection must be published in the Register at least 10 days before the meeting. A
12 meeting of a committee appointed under this section is open to the public.

13 (3) This subsection shall not be construed to prohibit an agency from
14 obtaining information and opinions from members of the public on the subject of the
15 rulemaking by any other method or procedure used in rulemaking.

16 (i) Any person may petition the Mayor or an independent agency to adopt, amend,
17 or repeal any rule. The Mayor and each independent agency shall prescribe by rule the
18 form for such petitions, and the procedure for their submission, consideration, and
19 disposition. Not later than 60 days after submission of a petition, the agency shall:

20 (1) Deny the petition in a record and state its reasons for the denial,
21 meeting fairly each point raised by the petitioner; or

22 (2) Initiate rulemaking proceedings in accordance with this Act.

1 Nothing in this subchapter shall make it mandatory that the Mayor or any agency to
2 promulgate, amend, or repeal any rule pursuant to a petition therefor submitted in
3 accordance with this section.

4 (k) Notwithstanding any other provision of this section, the Mayor or an
5 independent agency may, without prior notice or hearing or upon any abbreviated notice
6 and hearing that it finds practicable, adopt, amend, or repeal any rule if, the adoption,
7 amendment, or repeal of a rule is necessary for the immediate preservation or promotion
8 of the public peace, health, safety, or welfare, including the imminent loss of federal
9 funding for a specific program, and if the Mayor or such independent agency states its
10 reasons for that finding. ~~No such adoption, amendment, or repeal of a rule made under~~
11 ~~this subsection shall remain in effect longer than 120 days after the date of its adoption.~~
12 The adoption, amendment, or repeal under this subsection does not otherwise preclude
13 the adoption or amendment of an identical rule, or the repeal of the rule. The Mayor or
14 independent agency shall publish in the District of Columbia Register the rule adopted,
15 amended, or repealed under this subsection as soon as practicable given the nature of the
16 emergency, shall publish the rule on its website, and shall notify persons who have
17 requested notice of rules related to that subject matter. Nothing in this section prohibits
18 the adoption of a new rule under this subsection if at the end of the effective period of the
19 original rule made under this subsection, the Mayor or independent agency finds that
20 need for the immediate preservation of the public peace, welfare, health, safety, or
21 welfare still exists; provided, however, that the Mayor or independent agency may not
22 adopt, amend, or repeal a rule under this subsection more than twice successively unless

1 the Mayor or independent agency provides 30 days' notice and an opportunity to
2 comment.

3 Sec. 403. Section 302(c) of District of Columbia Administrative Procedure Act,
4 approved October 21, 1968 (82 Stat. 1204; D.C. Official Code § 2-552(c)) is amended by
5 adding a new paragraph (5) to read as follows:

6 “(5) The Mayor adopts a federal regulation as the District’s standard and
7 incorporates the federal regulation by reference in the rulemaking; provided, that the
8 Mayor shall specifically provide information about how and where a paper or electronic
9 copy of the federal regulation may be inspected or obtained. Any amendments to an
10 incorporated federal regulation shall be deemed to be included in the District’s rule;
11 provided, that after the adoption of a District rule incorporating a federal regulation, the
12 Mayor shall annually issue a Notice of Intent to re-adopt the federal regulations, in whole
13 or in part, or announce an intent to adopt a different standard. If the Mayor fails to issue a
14 Notice of Intent, the District rule will not incorporate any further changes in the federal
15 regulation.”.
