17 “ Sec. 2. Right to inspect public records.

18 “(a)(1) Any person has a right to inspect, and at his or her discretion, to copy any
19 public record of a public body, in accordance with reasonable rules concerning the time
20 and place of access, except as expressly provided by Section 204 of this Act

21

22 “(2) A public body shall make available for inspection and copying any
23 record produced, collected, or utilized by any party acting on behalf of or under the

1 supervision of a public body to perform a public service or function. The public body
2 with programmatic responsibility for the party shall make such records available to the
3 same extent as it would similar records produced, collected or utilized by public body
4 employees.

5 “(b)(1) A person may request records from any public body or seek access to a
6 public body’s records by written request whether made in person, by mail, by e-mail, by
7 facsimile, or any other electronic means that the public body is capable of receiving. The
8 public body shall endeavor to utilize social media and web portals to the greatest extent
9 possible. A request should identify or describe the records sought with sufficient
10 specificity to enable the public body to ascertain which records are being requested.

11 (2) A person may request records from any public body or seek access to
12 a public body’s records by oral request if the records are readily available or if the
13 records must be disclosed under section 206 of the Freedom of Information Act.

14 “(c)(1) A public body shall respond to any request within 10 days (except
15 Saturdays, Sundays, and legal public holidays) of the receipt of the request.

16 “(2)(A) In unusual circumstances, the time limit prescribed in subsection
17 (c)(1) of this section may be extended one-time after written notice to the requester
18 setting forth the reasons for extension, the actions already taken by the public body to
19 comply with the request, and the expected date by which the public body will fully
20 respond to the request. Such extension shall not exceed 10 days (except Saturdays,
21 Sundays, and legal public holidays). The public body shall provide the Office with notice
22 of each extension. For purposes of this subsection, and only to the extent necessary for
23 processing of the particular request, “unusual circumstances” are limited to:

2 examine a voluminous amount of separate and distinct records sought in a single request;
3 or

4 “(ii) The need for consultation, which shall be conducted
5 with all practicable speed, with another public body having a substantial interest in the
6 determination of the request or among 2 or more components of a public body having
7 substantial subject-matter interest therein. “(d) When possible, the public body shall

9 requests another format. If the requested format is a form not normally used by the public
10 body, it may at its discretion charge the actual cost of reproduction.

11 “(e) Any failure on the part of a public body to comply with a request under
12 subsection (a) of this section within the time provisions of subsections (c) and (d) of this
13 section shall be deemed a denial of the request, and the person making such request shall
14 be deemed to have exhausted his administrative remedies with respect to such request,
15 such person may elect to pursue any of the remedies available pursuant to section 207 of
16 the Freedom of Information Act to challenge the public body’s actions..

17 “(f)(1)(A) The public body may, by rule, establish and collect fees not to exceed
18 the actual cost of searching for, reviewing, and making copies of records.

19 “(B) Records shall be furnished without charge or at a reduced charge where the
20 public body determines that waiver or reduction of the fee is in the public interest
21 because it is likely to contribute significantly to the public’s understanding of matters of
22 public concern and is not primarily in the commercial interest of the requester.

1 “(C) A denial of fee waiver or reduction may be reviewed under
2 section 207 of this Act in the same manner as a denial of records.

3 “(2) The fee schedules adopted by the public body shall provide that:

4 “(A) Fees shall be limited to reasonable standard charges for
5 document search, duplication, and review when records are requested for commercial
6 use;

7 “(B) Fees shall be limited to reasonable standard charges for
8 document duplication when records are not sought for commercial use and the request is
9 made by an educational or non-commercial scientific institution for scholarly or scientific
10 research, or by a representative of the news media;

11 “(C) For any request for records not described in paragraphs (1) or
12 (2) of this subsection, fees shall be limited to reasonable standard charges for document
13 search and duplication; and

14 “(D) Only the direct costs of search, duplication, or review may be
15 recovered.

16 “(3) Review costs shall include only the direct costs incurred during the
17 initial examination of a record to determine whether the record must be disclosed or
18 withheld in part as exempt under this section. Review costs may not include costs
19 incurred to determine issues of law or policy related to the request.

20 “(4) The public body may not require advance payment of any fee unless
21 the requester has previously failed to pay fees in a timely fashion, or the public body has
22 determined that the fee will exceed \$ 250.

1 “(5) A public body may recover the direct costs incurred in conducting a
2 search; *provided*, that no fee may be collected by the public body if it fails to timely
3 respond to a request in accordance with section 202(c)(1).

4 (h) For purposes of this section, the term:

5 “(1) “Office” means the Open Government Office.

13 (a) Subsection (a) is amended as follows:

14 (1) By striking the phrase “Denial by” and inserting the phrase “Denial,

17 “(4) A listing of each record, including the number of pages in that record,
18 which is denied in whole.”.

19 (b) Subsection (b) is amended to read as follows:

20 “(b) A public body shall maintain a file of all letters of denial of requests for
21 public records. This file shall be made available to any person on request for purposes of

2 (D.C. Official Code § 2-534(a) is amended as follows:

3 (a) By striking the phrase “exempt from disclosure under the provisions of this
4 subchapter” and inserting the phrase “exempt from disclosure under the provisions of this
5 subchapter; provided that the public body reasonably foresees that disclosure would harm
6 an interest the exemption was intended to protect” in its place.

7 (b) By amending subparagraph (3)(B) to read as follows:

8 “(B) Deprive a person of a right to a fair trial or an impartial adjudication in a
9 criminal proceeding.”.

10 Sec. 205. Section 207 (D.C. Code § 2-537) is amended as follows:

13 the Office review the public body’s response for compliance with this Act. In its
14 discretion, if the Office finds that the public body’s response does not comply with the
15 Act, the Office may issue an order enjoining the public body from withholding the record
16 and to compel the production of the requested record.

17 “(2) If the public body refuses to comply with the Office’s order, the
18 Office may petition the Superior Court for the District of Columbia for a contempt order,
19 or for injunctive or declaratory relief.

20 “(3) This subsection shall not be construed to limit in any way the ability
21 of a person to seek relief in the Superior Court pursuant to subsections (a) or (a-1) of this
22 section.”.

23 (b) Subsection (b) is amended to read as follows:

1 “(b)(1) In any suit filed under subsection (a) or (a-1) of this section, the Superior
2 Court for the District of Columbia may enjoin the public body from withholding records
3 and order the production of any records improperly withheld from the person seeking
4 disclosure or fee waiver denials. The burden is on the public body to sustain its action.
5 The court shall determine the matter de novo, and may examine the contents of such
6 records in camera to determine whether such records or any part thereof shall be withheld
7 under any of the exemptions set forth in § 2-534.

8 “(2) Within 30 days after service of a complaint under this subsection, and
9 notwithstanding the government’s responsibility to provide any other litigation
10 documents or pleadings, if the plaintiff is alleging that the government conducted an
11 inadequate search, the government shall file with the Court and serve on the plaintiff:

12 “(A) An affidavit describing in detail what records were searched,
13 by whom, and through what process. The affidavit must set forth the search terms and the

17 obvious leads to discover requested records.

18 “(B) An affidavit identifying each record withheld, the exemption
19 claimed, and a reason why disclosure would damage the interests protected by the
20 claimed exemption.

21 “(3) Except for good cause shown, if the public body fails timely to submit
22 the affidavits described in paragraph (2) of this subsection, the Court shall order the
23 public body to conduct a new search for the records sought or to produce such an

1 affidavit within 15 days, and plaintiff shall be considered to have substantially prevailed
2 under subsection (c) of this section.

3 “(4) Notwithstanding anything else in this Act, a reviewing court may not
4 find a public body’s search for records adequate unless the public body clearly
5 demonstrates to the court that its search was reasonably calculated to uncover all relevant
6 records.”.

7 (c) Subsection (c) is amended to read as follows:

8 “(c) If a person seeking the right to inspect or to receive a copy of a public record
9 substantially prevails in such suit, he or she shall be awarded reasonable attorney fees and

6 \$1,000. The Office shall promulgate regulations detailing a schedule of penalties
7 consistent with this subsection for such violations.”.

8 (f) A new subsection (f) is added to read as follows:

9 “(f) No District funds may be used to pay the salary of any individual found to

10 establishes a reasonable timeline for publication online in open data formats.”

11 (d) The Office of the City Administrator shall procure or build a database to track
12 the inventory of high-value information.

13 (e) For the purposes of this section, the term:

13 **TITLE IV. ADMINISTRATIVE PROCEDURE ACT.**

14 Sec. 401. Short title.

18 approved October 21, 1968 (82 Stat. 1204; D.C. Official Code § 2-505) is amended to
19 read as follows:

20 (a) The Mayor and each independent agency shall, no later than 30 days before
21 the adoption, amendment, or repeal of any rule, except as otherwise provided by the
22 Mayor or the agency upon good cause found and published with the notice, publish in the

1 District of Columbia Register notice of the proposed action. The notice shall, at a
2 minimum, include the following:

3 (1) A short explanation of the purpose of the proposed action;

4 (2) A citation or reference to the specific legal authority authorizing the
5 proposed action;

6 (3) The text of any rule proposed to be adopted, amended, or repealed;

7 (4) How a copy of the full text of the regulatory analysis of any rule
8 proposed to be adopted, amended, or repealed may be obtained;

9 (5) Where, when, and how a person may comment on the proposed action
10 and request a hearing; and

11 (6) A citation to and summary of any scientific or statistical study, report,
12 or analysis that served as a basis for the proposed rulemaking, together with an indication
13 of how the full text may be obtained.

14 (b)(1) The Mayor and each independent agency shall publish in the District of
15 Columbia Register and on the agency's website any guidance document. A guidance
16 document does not require notice and comment as required in subsections (a), (d), (e), (f),
17 and (g).

18 (2) An agency that proposes to rely on a guidance document to the
19 detriment of a person in any administrative proceeding must afford the person a fair
20 opportunity to contest the legality or soundness of positions taken in the document. The
21 agency may not use a guidance document to foreclose consideration of issues raised in
22 the document.

23 (3) A guidance document may contain binding instructions to agency staff

1 members if at an appropriate stage in the administrative process, the agency's procedures
2 provide affected persons an adequate opportunity to contest positions taken in the
3 document.

4 (4) If an agency proposes to act in an adjudication at variance with a
5 position expressed in a guidance document, it shall provide a reasonable explanation for
6 the variance. If an affected person in an adjudication may have reasonably relied on the
7 agency's position, the explanation must include a reasonable justification for the agency's
8 conclusion that the need for the variance outweighs the affected person's reliance
9 interests.

10 (5) An agency shall maintain an index of all of its currently effective
11 guidance documents, publish the index on its website, make all guidance documents
12 available to the public and file the index with the District of Columbia Register annually.
13 The agency may not rely on a guidance document or cite it as precedent against any party
14 to a proceeding, unless the guidance document is published on the agency website.

15 (6) A guidance document may be considered by a presiding officer or final
16 decision maker in an agency adjudication but it does not bind the presiding officer and
17 the final decision maker in the exercise of discretion.

18 (7) A person may petition an agency under subsection (i) to adopt a rule in
19 place of a guidance document.

20 (8) A person may petition an agency to revise or repeal a guidance
21 document. Not later than 60 days after submission of the petition, the agency shall:

22 (A) revise or repeal the guidance document;

23 (B) initiate a proceeding for the purpose of considering a revision

1 or repeal; or

2 (C) deny the petition in a record and state its reasons for the
3 denial, meeting fairly each point raised by the petitioner.

4 (9) For the purposes of this subsection, the term “guidance document”
5 shall mean any “a document prepared or used by an agency that is not legally binding but
6 which states the agency’s current approach to or interpretation of law, or which describes
7 how and when the agency will exercise discretionary functions.”

8 (c)(1) The Mayor and each independent agency shall maintain an indexed
9 rulemaking docket that contains a list of all pending rulemaking proceedings. The Mayor
10 and each independent agency shall maintain a record for each proposed adoption,
11 amendment, or repeal of a rule that contains:

12 (A) A copy of all publications in the District of Columbia Register
13 relating to the rule or the proceeding upon which the rule is based;

14 (B) A copy or an index of written factual material, studies, and
15 reports relied on or consulted by agency personnel in formulating the proposed or final
16 rule;

17 (C) Any official transcript, audiovisual copy, or summary of oral
18 presentations made in the proceeding upon which the rule is based;

19 (D) A copy of the rule and notice described in paragraph (a); and

20 (E) All petitions for action on the rule.

21 (2) The Mayor and each independent agency shall publish the rulemaking
22 docket and the record for each rule on the internet and shall make them available for
23 public inspection, or, upon request, provide copies to individuals at a reasonable cost.

1 (d) To the greatest extent possible, the Mayor shall notify the public of the
2 proposed changes in the rules, and encourage participation in the rulemaking process. An
3 agency proposing the adoption, amendment, or repeal of a rule shall specify a public
4 comment period of at least 30 days after publication of the notice of proposed rulemaking
5 during which a person may submit information and comment on the rule proposed for
6 adoption, amendment, or repeal. Agencies shall publish comments received on their web
7 sites.

8 (e) Not later than one year after the notice of proposed rulemaking, the agency
9 shall adopt, amend, or repeal the rule pursuant to the rulemaking proceeding or terminate
10 the proceeding by publication of a notice of termination in the Register; provided, that the
11 agency may extend the period of time for adopting, amending or repealing the rule for an
12 additional period of 6 months by filing a statement of good cause for the extension in the
13 rulemaking record, but must provide for additional comment period of at least 30 days
14 before adopting, amending or repealing the rule.

15 (f) An agency may not take action on a rule proposed to be adopted, amended, or
16 repealed that differs from the action proposed in the notice of proposed rulemaking on
17 which the rule is based unless the action is the logical outgrowth of the action proposed in
18 the notice.

19 (g) At the time it adopts, amends, or repeals a rule, an agency shall issue a concise
20 explanatory statement containing:

21 (1) The agency's reasons for the action, including the agency's reasons for
22 not accepting substantial arguments made in testimony and comments; and

1 (2) Subject to subsection (f) of this section, the reasons for any change
2 between the text of the proposed adopted or amended rule contained in the published
3 notice of the proposed adoption or amendment of the rule and the text of the rule as
4 finally adopted.

5 (h)(1) An agency may gather information relevant to the subject matter of
6 rulemaking and may solicit comments and recommendations from the public by
7 publishing a notice of intent to propose rulemaking in the Register and indicating where,
8 when, and how persons may comment.

9 (2) An agency may engage in negotiated rulemaking by appointing a
10 committee to comment or make recommendations on the subject matter of a rulemaking
11 under active consideration within the agency. The committee, in consultation with one or
12 more agency representatives, may attempt to reach a consensus on the terms or substance
13 of a proposed rule. The agency shall publish a list of all committees with their
14 membership in the Register. Notice of a meeting of a committee appointed under this
15 subsection must be published in the Register at least 10 days before the meeting. A
16 meeting of a committee appointed under this section is open to the public.

17 (3) This subsection shall not be construed to prohibit an agency from
18 obtaining information and opinions from members of the public on the subject of the
19 rulemaking by any other method or procedure used in rulemaking.

20 (i) Any person may petition the Mayor or an independent agency to adopt, amend,
21 or repeal any rule. The Mayor and each independent agency shall prescribe by rule the
22 form for such petitions, and the procedure for their submission, consideration, and
23 disposition. Not later than 60 days after submission of a petition, the agency shall:

1 (1) Deny the petition in a record and state its reasons for the denial,
2 meeting fairly each point raised by the petitioner; or

3 (2) Initiate rulemaking proceedings in accordance with this Act.

4 Nothing in this subchapter shall make it mandatory that the Mayor or any agency to
5 promulgate, amend, or repeal any rule pursuant to a petition therefor submitted in
6 accordance with this section.

7 (k) Notwithstanding any other provision of this section, the Mayor or an
8 independent agency may, without prior notice or hearing or upon any abbreviated notice
9 and hearing that it finds practicable, adopt, amend, or repeal any rule if, the adoption,
10 amendment, or repeal of a rule is necessary for the immediate preservation or promotion
11 of the public peace, health, safety, or welfare, including the imminent loss of federal
12 funding for a specific program, and if the Mayor or such independent agency states its
13 reasons for that finding. No such adoption, amendment, or repeal of a rule made under
14 this subsection shall remain in effect longer than 120 days after the date of its adoption.
15 The adoption, amendment, or repeal under this subsection does not otherwise preclude
16 the adoption or amendment of an identical rule, or the repeal of the rule. The Mayor or
17 independent agency shall publish in the District of Columbia Register the rule adopted,
18 amended, or repealed under this subsection as soon as practicable given the nature of the
19 emergency, shall publish the rule on its website, and shall notify persons who have
20 requested notice of rules related to that subject matter. Nothing in this section prohibits
21 the adoption of a new rule under this subsection if at the end of the effective period of the
22 original rule made under this subsection, the Mayor or independent agency finds that
23 need for the immediate preservation of the public peace, welfare, health, safety, or

1 welfare still exists; provided, however, that the Mayor or independent agency may not
2 adopt, amend, or repeal a rule under this subsection more than twice successively unless
3 the Mayor or independent agency provides 30 days' notice and an opportunity to
4 comment.

11 copy of the federal regulation may be inspected or obtained. Any amendments to an
12 incorporated federal regulation shall be deemed to be included in the District’s rule;
13 provided, that after the adoption of a District rule incorporating a federal regulation, the
14 Mayor shall annually issue a Notice of Intent to re-adopt the federal regulations, in whole
15 or in part, or announce an intent to adopt a different standard. If the Mayor fails to issue a
16 Notice of Intent, the District rule will not incorporate any further changes in the federal
