Prior to this hearing, we will be convening a series of small, informal working group meetings on Thursdays to discuss each section of the legislation with interested stakeholders:

These meetings will begin at 2:00 p.m. in Room 401 of the John A. Wilson Building at 1350 Pennsylvania Ave., N.W. These small meetings will be staff-only and will provide an informal opportunity for those interested in each Title of the Healthy Schools Act to have an in-depth conversation about every provision and how to improve the overall legislation.

If you are interested in attending, please e-mail Drew Newman at dnewman@dccouncil.us. Electronic copies of the Healthy Schools Act, as introduced, the legislative memorandum, and the hearing notice are available at www.marycheh.com.

We look forward to working with the entire community to develop the most effective legislation possible to significantly improve the health, wellness, and nutrition of students in the District of Columbia.
